be ready for launching in a short time.

Frank Graham Found in Room With Gas Jet Open.

Frank Graham, who was found in his room at 723 7th street northeast yesterday morning with three gas jets open, will be able to leave the Casualty Hospital teday. The young man is employed as compositor in a printing office. He refused to tell the police why he made the effort to end his life. He was glad he had not succeeded, he stated, and declared he would not repeat the attempt.

REBUILDING SOMERSET BEACH. Wharf on Potomac River Was Carried Away by Ice.

Somerset Beach, one of the wharves on the Potomac, which was badly damaged by ice last winter, the greater portion of the structure having been carried away, is being rebuilt, and will shortly be in better condition than it was before the ice carried it away. Plans, are being prepared for the rebuilding of Mathias Point, Bushwood and Chaptico wharves, and it is stated they would have been in good order by this time but for the difficulty in returned to their home in Washington getting piledrivers to do the neces- last night, where they will remain for sary pile work. The river steamers some time-until Mrs. Alsop has recoverare landing at these wharves in good ed sufficiently to permit the southern weather, but only light freight is trip planned by the couple some time being handled to and from them, owing to ago and which was postponed because of

the fact that in most instances the the illness of Mrs. Alsop. The couple were bridge connecting the shore with the pier head was carried away, and this makes the moving of heavy stuff from the wharf to the shore a difficult task. It is stated that the repair work on the freight wharf at Colonial Beach will be started shortly in order to have the wharf in thorough order for service during the busy freight season.

Tips to Song Writers. "Making a Nation Whistle" is the title

of a fine article in our next Sunday Magasine by Charles K. Harris, who burst into fame as a song writer a quartercentury ago with his "After the Ball." "I have been called the pioneer of popu-

lar song writing in America; so I suppose I may pose as something of a statistical authoris on the subject in hand. Although I have written more established popular songs than any other American, day at 10:30 a.m. On view tomorrow. Catit may interest you to know that I never took a music lesson of any sort, and that, even today. I cannot distinguish one note on the plane from another. I say plane, because I always compose on that in-strument. My ear is and always has Former Resident of Capital Falls Donaldson and Edward Phelps. Coun- Temple yesterday afternoon. Capt. H.
